CERTIFICATE

I, the undersigned, John CHAUSSARD, director of the Computer Science specialization at the Sup Galilée School of Engineering, hereby certify that :

Mrs. CALI Sidar

Born on April 8, 2002, in GONESSE (VAL D'OISE)

Is currently enrolled in the second year (BAC+4 level) of the Computer Science engineering program at Sup Galilée, under apprentice status, for the academic year 2024-2025.

She is expected to be admitted to the third and final year of the program for the 2025-2026 academic year, subject to the successful completion of all end-of-year examinations.

The engineering program spans three years and confers a Master's degree in Science and Technology (Bac+5 level).

This certificate has been issued at the request of the student, to serve and be used as needed.

Issued In Villetaneuse,

On June 17th, 2025

John CHAUSSARD

Director of the Computer Science Specialization
